We are sure that all our supporters will join us in congratulating Peter Ward on his selection to the England World Cup squad for the game with Luxembourg on October 12.

Naturally we are all hoping that Peter will make the final selection but the selection to the squad is a great honour to this talented young man and no less an honour to the club and Sussex football generally.

It has certainly been a meteoric rise for Peter who just over two years ago was playing with Burton Albion in the Southern League and who only had his first full League season last term. His goal-scoring prowess brought his name to the forefront and he has continued in the same way this season, taking his chance when he knocked in a hat-trick on his Under-21 debut at the Goldstone v Norway.

Our good wishes go with Peter when he joins the England squad tomorrow and indeed we wish the whole party well and every success in keeping England's World Cup aspirations alive.

Last Saturday we decided to fly to our away game at Sunderland to avoid the long train journey particularly in view of our match at the Valley on Tuesday. Although the return flight was most pleasant we had our problems on our way to Sunderland. Firstly an air controllers' industrial dispute delayed our take off, putting out our schedule for meal arrangements in Newcastle, although strong headwinds in the north-east gave us a bumpy landing and a number of our party had by then lost their interest in the pre-match meal.

However, the experience seemed to act as a tonic, as the team went out and played their best all-round performance of the season with Gary Williams and Graham Winstanley fitting in well, as he had done v Luton Town, in place of Andy Rollings and Mark Lawrenson both on the sidelines due to injuries.

We are pleased to report that both Andy and Mark are making good progress and should soon be match fit.

'Give me five minutes more, only five minutes more' so pleaded a popular song of yesteryear and we can well recall the cock-a-hoop Charlton fans.

chorusing the song when their heroes were leading Cup favourites Newcastle United 4-0 in the Semi-Final at Leeds some 30 years ago with just five minutes to go. What a difference at the Valley last Tuesday - there was no plea for five minutes more from the Charlton fans. Their whistles urging the referee to blow for time echoed round the Valley as we were willing his watch to stop as we battled for a deserved equaliser in the 4-3 thriller.

In the tea-room after the game the opinion was that it was a great game for the spectators; so it was but where does that leave us? It's one of the enigmas of the game, a dull 0-0 draw would have left us still leading the Division, whereas the seven goal thriller will soon be a statistic in the records showing us the losers.

We are very pleased that our young fans have taken heed of our warning that the half-price concession will be withdrawn if there are anymore pitch invasions at the Goldstone. Well done, lads - we are sure you enjoy the game just as much without damaging the playing area.

We draw the attention of our supporters to our announcements that our home game v Crystal Palace on Saturday, October 22, 1977, Kick-off 3 p.m. is ALL TICKET and that no tickets will be on sale on the day of the match.

Sunderland v Albion

Albion's trip to Roker Park will be remembered for a very long while. For the first time the Club's official party flew North for the game and the top picture catches Steve Piper, Gerry Fell (hidden), Mark Lawrenson, Brian Horton and Eric Steele bathed in sunshine boarding the plane at Gatwick. The happy party travelled quickly and it was indeed a confident Albion who took the field in the historic ground in front of nearly 25,000 fans including the regular Albion following who had again travelled by special train.

The second picture shows Steve Piper in the thick of the action in the Sunderland goalmouth. Steve almost didn't play, a pulled thigh muscle against Luton made him doubtful for much of the week but a late fitness test plunged him into the action and it was he who put the Albion in front after a neat and skilful build up. Steve wasn't the only Albion in jury problem, both first choice central defenders Andy Rollings and Mark Lawrenson missed the game and Graham Winstanley and Chris Cattlin played at the heart of the defence. Gary Williams came in at full-back for only his second appearance since joining Albion from Preston.

The bottom picture shows Peter Ward in a familiar role, en route for goal and it was predictably Peter who scored Albion's second before half-time. This was Peter's seventh goal for Albion this campaign and his tenth in all football including that marvellous hat-trick for England Under-21 side against Norway here at the Goldstone.

Roker Park provided the ideal setting for the Albion to move to the summit of the Second Division and to their highest position ever in their near 80 year history.

The idols of Roker had been expected to challenge for promotion after coming down from the First Division last season but, although it's early days yet the start has been none too good for Jimmy Adamson's men.

Willie Morgan (*Winger*)

Started his career with Burnley then moved to Manchester United for a big fee. Returned to Burnley and was signed by the Wanderers two seasons ago. A Scottish international and member of the last World Cup squad, Willie spent last summer playing in American football.

Tony Dunne (*Full-back*)

Eire international who played for most of his career with Manchester United. Was a member of the United European Cup winning side and since coming to Bolton has proved to be a favourite with the fans.

BOLTON
WANDERERS

Peter Nicholson (*Defender*)

Signed for the Wanderers from Blackpool for a small fee prior to the 1971-2 season and has proved to be a fantastic bargain. He can play anywhere in defence and had a long spell at full-back last season. Is also accomplished in midfield.

Ray Train (*Midfield*)

Signed for the Wanderers only minutes before the transfer deadline last season for a £30,000 fee from Sunderland. Has a terrier-like tackle and is always in the thick of the midfield action.

Roy Greaves (*Midfield*)

Long-serving player who had a recent testimonial. Born in Farnworth, near Bolton, he is a non-stop worker whose workrate has to be seen to be believed.

Jim McDonagh (*Goalkeeper*)

Jim joined the Wanderers at the start of last season on a month's loan from Rotherham United. Impressed and was signed for a £10,000 fee as cover for Barry Siddall. He soon got promotion with the transfer of Siddall to Sunderland and held the first team spot for the remainder of the season. Jim stands 6 ft tall and matches his height with agility.

Spotlight on BOLTON WANDERERS

This is only the 'Trotters' third visit to Brighton in the last 43 years. Last time they came for a Third Division match on April 22, 1972, the season the Albion won promotion. That day Bert Murray's penalty gave this side a 1-1 draw, Powney; Murray, Spearritt, Templeman, Gall, Goodwin; K. Napier, Beamish, Irvine, Bromley and O'Sullivan. Bolton included Roger Hunt in their line-up - he had been one of England's World Cup stars in 1966. In the match at Burnden Park on December 4, 1971, Willie Irvine's goal had also given the Albion a share of the points.

The previous visit by the Wanderers was for a Fourth Round FA Cup Tie on January 27, 1934. The game resulted in a 1-1 draw, Wilkinson scoring for Albion who went down 6-1 in the

VISITORS BOLTON WANDERERS

Sam Allardyce (*Defender*)

A young central defender born in the Midlands, Sam joined the Wanderers from school and since coming into the side in 1975 has held down a regular place.

Peter Reid (*Midfield*)

Another youngster who joined Bolton from School on Merseyside. Peter played for England's Under 21 side last season and went on the close-season tour of Scandinavia with the national side. Is a constructive player who reads the game well and is a fine passer of the ball.

Peter is the former Liverpool and England player who has won most of the honours in the game. A very tricky player, his class has made him a firm favourite with the supporters.

Brighton's only other game with Bolton was in an FA Cup Tie on January 12, 1907, Bolton winning 3-1 at Burnden Park.

Bolton spent 18 seasons in the First Division immediately after the war before they were relegated in 1964. After seven seasons in the Second they dropped to the Third Division in 1971 for a two-season spell.

Bolton have a proud history. They finished three times in third place in Division 1 and won the FA Cup in 1923, 1926, 1929 and 1958.

Neil Whatmore (*Striker*)

Strong attacker with a flair for scoring goals. He scored 31 times last season to top the Second Division scoring chart for League and League Cup goals.

LETTERS TO THE EDITOR

Dear Sir,

Re: **Hove Park Manor, Goldstone Crescent,
Hove**

I am the managing agent of this block of flats which as you may know is opposite the North-East corner of the football ground.

The residents have complained that the car parking area is used by your supporters each time there is a match locally and that some of the less responsible ones even use the hallway of the flats to get from their vehicles to the football ground.

This is of course completely unreasonable and totally irresponsible, and I shall be obliged if you will use such means as are at your disposal, such as a printed notice in your programme and loudspeaker announcements on the field to ensure that this does not happen in the future.

Yours faithfully,

RAYMOND E. DELVES, ARICS

Dear Sir,

My father, Jack Dugnalle, played for Brighton and Hove Albion before and after the war and, after his career in the first team was over, he managed the youth side – the 'A' team as it was then called – for a few years. Perhaps there are some older members of the staff or the supporters club who still remember him and who would be interested to learn that he died on August 31. Up to his death he still retained an interest in the fortunes of the club, although he had not been well enough for some years to go and watch a game. I am sure he would like me to wish you well in the Second Division this year.

Yours faithfully,

J. K. DUGNALLE

PROFILE

Tony Towner

Tony Towner has achieved what many local youngsters would probably have given their right arm for. A Brighton boy born and bred he joined the Albion straight from School.

Born on May 21, 1955, Tony attended Stanmer Secondary School, he played for his school at all levels and went on to represent Brighton Boys in the English Schools' Trophy.

Known affectionately to his many fans as 'Tiger', Tony has now settled as a married man and wife Wendy is shortly expecting the first addition to the Towner family.

Christened Antony James, Tony has always been one for getting outdoors and appropriately lists gardening and swimming as his hobbies away from football. Musically Bob Dylan and Rod Stewart are his favourites and film stars Clint Eastwood and Lee Marvin are much admired.

For his favourite country Tony doesn't need to go far, just across the North Sea in fact, Holland is the place and the Tulips may hold the key with his love of gardening.

Like many of the Albion players, steak and fish dishes are Tony's favourite foods and an ambition shared with the rest of the Seagulls is to play First Division football ... Tony isn't the only Brightonian hoping for that!

Ian Mellor jumps high to challenge Luton's John Faulkner with Ricky Hill, the promising Hatters' mid-field star looking on. Steve Piper is in close attendance balancing on his injured right leg . . .

DIVISION 2 NEWS

By Tony Pullein

WORTHINGTON MAKES GOOD START

Frank Worthington made a splendid start for his new club Bolton last Saturday when he struck the equaliser against visiting Stoke City to save the Wanderers' unbeaten home record. Bolton, whose overall unbeaten record fell at Crystal Palace a week earlier, signed Worthington on loan from Leicester and he opened his account in the twenty-second minute – two minutes after Stoke had taken the lead.

Stoke showed once again at Bolton that they could be in line to win back their First Division status at the first attempt. In spite of the fact that the club has sold almost a complete first-team over the past 12 months, the Potters are now well up with the leaders. They haven't been beaten since the opening day of the season when they crashed 1-2 at Mansfield.

Leading Second
Division scorers:

	League	Cup	Total
Harkouk (C. Palace)	6	3	9
Hatton (Blackpool)	7	1	8
Flanagan (Charlton)	7	1	8
WARD (Brighton)	5	2	7
Duncan (Tottenham)	4	3	7
Maybank (Fulham)	5	2	7
Husband (Luton)	5	1	6

Bob Hatton became the first player in the Football League to score two hat-tricks this season when he hit all three goals in Blackpool's 3-0 victory over Cardiff City. Earlier on he claimed three goals on the Tangerines' visit to Orient.

Blackburn finally succumbed to pressure to sell their England Under-21 goalkeeper Paul Bradshaw when Wolves bid £150,000 for him. Bradshaw had been the subject of interest from many top clubs and Rovers were reluctant to sell. But with home attendances averaging only around the 8,000 mark so far, they were in no position to refuse Wolves' offer.

Southampton were once again guilty of lack of concentration early in the game at Sheffield United where for the second away match in succession they found themselves three goals in arrears. A fortnight earlier at Millwall they were 0-3 down at the interval. At Bramall Lane they were three down in only 22 minutes!

Though Ted MacDougall and Peter Osgood retrieved a couple for the Saints they could not quite catch up. Manager Lawrie McMenemy said afterwards: 'Two of their goals were real give-aways and they accepted them with relief. But give my team credit for a splendid fight back. I think we were unlucky not to get a draw in the end.'
